June 2006

Dear ATV Club:

Enclosed with this letter is the application for your ATV club liability insurance. Thanks for your help and commitment to a safe ATV program. Hopefully, we will have continued success with good, safe ATV activities and keep our losses at a minimum.

The policy limits are \$1,000,000 Per Occurrence/\$1,000,000 Aggregate with a \$250 deductible per claim.

Premium for the base club liability	\$1000.00
Park Maintenance	\$ 275.00
Equipment for Maintenance	\$ 150.00
Additional Insureds over 20	\$ 30.00/per block of 10
Surplus Lines Tax on total premium	1.25%

Item #1: Answer all questions on the application. Make sure your mailing address is correct. **WE MUST HAVE A DAYTIME CONTACT TELEPHONE NUMBER.** The application and additional insureds list must be typewritten because we rely on the FAX MACHINE. Handwritten pen or pencil is difficult to read. (You may use your computer and either scan our application or make your own form using our format). Remember to sign the application and enclose payment.

COVERAGE IS NOT BOUND UNTIL APPLICATION IS RECEIVED, QUOTED AND ACCEPTED BY EMC UNDERWRITERS LLC AND PREMIUM PAYMENT IS RECEIVED AT V & V INSURANCE AGENCY. THERE IS NO AUTOMATIC COVERAGE

Item #2: The application needs to be completely filled out at each renewal with a current additional insured list. Do not write "same as last year". Review your additional insured list to see who really needs to be listed. Do not have names crossed out on your lists- please retype if names are to be deleted or added. **IDENTIFY ALL PAGES WITH YOUR CLUB NAME AND TITLE "LANDOWNER LIST" OR "ADDITIONAL INSURED'S". THESE LISTS MUST BE CLEARLY TYPED BECAUSE THEY ARE COPIED SEVERAL TIMES AND ATTACHED TO YOUR CLUB POLICY. IT IS ABSOLUTELY NECESSARY THAT YOU DIVIDE THE ADDITIONAL INSURED INTO TWO CATEGORIES:**

- a)** Landowners including COMPLETE mailing address/zip codes.
- b)** Any other additional insureds with COMPLETE mailing addresses/zip codes and a short statement as to why they are to be included as additional insureds.

IF WE DO NOT HAVE COMPLETE MAILING ADDRESSES/ZIP CODES, THEY WILL BE EXCLUDED FROM COVERAGE. THERE WILL BE NO EXCEPTIONS. LISTS NOT TYPED ACCORDING TO THESE DIRECTIONS WILL BE RETURNED TO THE CLUB FOR CORRECTION AND CLUB'S RENEWAL APPLICATION CANNOT BE SUBMITTED TO EMC UNDERWRITERS LLC UNTIL LIST IS RETURNED TO V & V INSURANCE AGENCY.

Item #3: We have placed the activity list on the back of the application. **Give dates where required. Do NOT include club schedules/calendars;** this makes it more difficult to review and delays processing of the application. The two allowed concession stands may be set up for a **maximum** of three days each. The scheduled dates of the concession stand must be provided. If a concession lasts longer than three days, it will need to be quoted. If there are additional concession stands planned, please list under "Other" and provide dates and details. EMC Underwriters LLC will review these on an individual basis and provide a quote.

Item #4: Play Day, Festival and Other events must include a detailed description of games and activities. This must be done on a yearly basis. If they are not explained it will delay the processing of your application. Any activities not listed will **not be covered**. If the event is changed, we must be notified prior to the activity. Special event activities may require a short-term liability application and an additional premium.

Item #5: Rides given to other people, i.e., Easter Seal, handicapped, kids, etc. must be looked at individually. Any additional premium will be based upon the details of the activity. A short-term liability application will need to be completed for these special events. We need to have notification of the activity a minimum of two weeks prior to the event for us to obtain company approval before we are able to bind coverage.

Item #6: Applications for short-term event spectator liability (races, pulls, etc) must be in our office at least two weeks prior to event for us to obtain company approval before we are able to bind coverage. Minimum age limit for participants is 18 years old. Minimum premium for ATV pulls is \$150.00 per day plus \$85.00 for the pulling sled if owned or leased by the club. For mud runs we need complete information including a diagram and distances and protection for spectators from the track area. If this information is included with renewal application and approved by the company there may be no charge. If requested after policy is bound for coverage there is a minimum \$75.00 charge.

Item #7: Amending the policy after receipt of the application by the company will result in an amendment fee. This will be a minimum charge of \$75.00 (this will cover up to 20 additional insureds). Be sure all activities scheduled and non-scheduled and additional insureds are on the application form. Any activities or additional insureds not listed will not be covered.

Item #8: There will be no short-term prorated premiums. All policies are "EARNED Annual Premium" and such will be charged a full year's premium.

Item #9: There is no premise liability or building coverage included; however, premise liability may be endorsed for an additional premium to be determined by EMC Underwriters LLC.

Item # 10: Increased limits requests need applications completed and in our office four weeks prior to state association renewal date. They will be rated individually as per activities and additional insureds.

It is important that your renewal be sent to us well before the renewal date to insure continuing coverage. Please allow us several days for processing and mailing time to get coverage in place. This is the same for amendments, short-term application policies. All requests must go through our office.

If you have a club member who is an attorney or are aware of an attorney in your area that is ATV friendly and fair please forward his or her name to us. Should a claim arise in your area we can call upon them for advice. This would be one of the best things you could do to help us make sure the claim is legitimate. Any help you can provide would be beneficial to all of us.

We thank you for your business and will continue to strive to provide you with the best possible service. If you have any further questions after reading the information, always give us a call.

Sincerely,
Dale G. Vagts
